January 20, 2026

Dear brothers and sisters,

Greetings, in Jesus' name. I hope and pray the Lord has blessed you throughout this past year, and I pray He continues to in this new year. It has been a few months since my last report, so I thought I would drop you a letter as we start out this new year. As you will note, the Lord continues to bless and keep us as I continue my work here in America's Great Southwest.

The church at Williams has been blessed, for the Lord has granted two souls repentance and the privilege of being immersed in His name over the past few months. Two younger adults, who are brother and sister, Cory Stevens and Teri Stevens. Their mother, Connie Stevens has been a member here at Williams for quite some time. We praise the Lord for these blessings! This has been especially a blessing since it happened in the winter months, when the attendance has been down per usual.

I continue to meet with the congregation one to two Lord's days each month and one to two Wednesdays each month. When I am with them, I am teaching through the Roman Letter at their request as well as various exhortations.

The church at Pima continues to be well-blessed, though they are few in number. I try to be with them one Lord's Day evening and one Thursday evening. We have been studying the First Letter of John and various exhortations. Dave & Janet Gentry continue to be a blessing to the congregation, for the church meets in their home.

The church at Huachuca City continues to enjoy those added to the congregation over the past year or so. They have a regular attendance of 6 plus some visitors from time to time. I try to be with them one Lord's Day morning and one Wednesday evening each month. We have been studying the Book of Proverbs and the Revelation Letter as well as various exhortations. I continue to enjoy the hospitality of Dennis & Deanna Richter when I am with them.

The church at Chama, NM also has experienced some growth recently. They have a young family of 4 who has joined them as well as a new sister. They are all residents of Chama. And this growth has come in the winter when their number is usually much lower! I try to be with them one Lord's Day each month for a class and an exhortation. We have

been considering the Messianic Psalms at their request as well as various exhortations. The Tafoya family continues to be a primary pillar in the congregation.

The church at White Rock, NM continues to be blessed. I am with them usually a Lord's Day every month in addition to attending their midweek virtual study. We have just concluded Jesus' "Sermon on the Mount." I plan to begin a study from the First Letter of John when I am with them next, God willing.

I continue to meet with the congregation at Long Beach, CA one Lord's Day every two months. I have been studying a parallel study of the Ephesian and Colossian Letters as well as various exhortations. When I am there, I enjoy the hospitality of Michael & Catherine Manning.

Last September I was blessed to meet with the churches at Excelsior Springs, MO, Eldon, MO, Prince Rd in Alton, IL, Martinstown, MO, Lonejack, MO and Smart Rd in Greenwood, MO. The Lord blessed me with a safe and edifying journey as well as much good fellowship with many brothers and sisters.

In November I was also blessed to have Louis Garbi here in Arizona for his annual journey to visit us and the Arizona congregations. I always enjoy having time with Louis. He always provides lots of spiritual thoughts to consider together.

The Lord continues to provide for Becky and me. I am getting older, for I have started receiving Medicare. Becky continues to be a great blessing to me in so many ways.

You also continue to be a great blessing to us through your support and prayers. May the Lord bless and keep you as you endeavor to work in your portion of His vineyard.

Love,

*Jay*

Proverbs 31:10  
Who can find a virtuous wife?  
For her worth is far above rubies.
